Hi Erin,

Thank you for letting me know. We may cancel the 404 meeting tomorrow so Zach can get some work done on the issues. I'll let everyone know soon. I wasn't sure if the 408 meetings and the 106 meetings would be of much use to you, but you are in a better position to know that. Please attend or send staff if you feel it would be worth the time.

Hopefully you received a meeting notice for the 106 meetings? If not, let me know. Is that the Wednesday meeting you were inquiring about?

Thank you,

Mike

Hi Mike,

Thanks for sending these messages and including EPA. I don't think an EPA water division staff person is needed at the RHA 408 meetings or the 106 meetings. We can attempt to find a staff person to attend but it is unlikely to be me. Let me know if you'd

like me to look into finding a person that can support the 408 and 106 meetings.

Do you know which hours on Wednesday we will be meeting?

Lastly, I will be attending the 404 meetings but can't attend tomorrow. I could have in the morning but can't do the afternoon time tomorrow. I can attend the afternoon meeting the weeks following tomorrow's meeting.
